A Response Guide

-

Scottish Salmon Company Planning Application for Millstone Point, North Arran

Response deadline is 30th September 2019

Ways to respond

There are three ways to respond to this planning application. We **highly recommend emailing your response**, as then you are not limited by characters/words.

1) **E-mail:** eplanning@north-ayrshire.gov.uk copying in email@arrancoast.com
Please ensure you use the planning application number as subject reference: **19/00609/PPM**

2) **Writing:** F.A.O Mr Iain Davies, Planning, North Ayrshire Council, Cunninghame House, Irvine, KA12 8EE
copying to: COAST, Old Pavilion, Lamlash, Isle of Arran, KA27 8LS

3) **Online** via the planning website.

Commenting online

The NAC planning website is a bit complicated, but we have step-by-step instructions below to help you submit comments online.

1) Register to comment

To be able to comment, you must first **register for free**.
You can register here. Fill out the required fields and follow the step-by-step on screen instructions.

After you have registered, remember to check your emails (including junk folder) for an e-mail from dcontrol@north-ayrshire.gov.uk. **You must click on the link in this e-mail** to verify your registration.

After clicking on the verification link, you will obtain confirmation that registration is complete. Beneath this message there is a "login" button. Click this, and enter your details.

From here, you may be redirected to another part of the planning website. To get to the right page, just click or copy this link: https://www.eplanning.north-ayrshire.gov.uk/OnlinePlanning/applicationDetails.do?activeTab=makeComment&keyVal=PW6JPXLE04X00

2) Commenting on the application

The above link will take you directly to a pre-populated form, with your contacts details listed. It states the planning details and asks you to select the type of commenter you are from a drop down list eg. Member of the public, neighbour etc. You are also **required to provide your stance** to the application: Object, Support or Neutral.

You then have the opportunity to provide **up to 5000 characters** to support your stance taken.

If, for example, you wish to **object**, please detail the specific objections you have in relation to issues relevant to planning such as:

- compliance with the [Local Development Plan](#), specifically [Policy 25](#).
- impacts on surroundings
- negative tourism
- business impacts
- environmental impacts

We recommend preparing your comment in a word document on your computer and copying and pasting it in to the system when ready. Otherwise, you may be timed out and lose your response.

Once you have finished commenting, submit your response but clicking the "***submit***" button at the bottom of the page.

3) Viewing other people's comments

If you wish to view other comments before submitting your own, you can do so by following the link below.
